I'm going to write about my past life and how it has influenced me now that I am older. This includes most of the bad and good things I did while I was growing up. Three things have affected my life. The first was when I was 11 years old, I found out that I was pretty good at playing basketball. Because of basketball, I'm glad I didn't turn out like the rest of my neighborhood friends, a gangster and a lowlife locked up for years. The second is when I was in 6th grade, my older brother got sick from a disease called diabetes, which you get from eating too much sugar. When I found out, I got scared, and I stopped eating a lot of sweet stuff, and I started playing sports to keep myself healthy. My third was when I was in the 7th grade, my friend started getting involved in gangs. When I got to high school, I found out that everything you do affects you in the future. I was getting bad grades, and I was never able to play sports because of my grades. Now I know I have to get good grades to play sports, and I could graduate from Avenal High School.
